

Hetzner Online GmbH has an unlimited

BSI C5:2020 Testat Typ 2

C5 stands for
Cloud Computing Compliance Criteria Catalogue

and is a catalog of criteria from the Federal Office for Information Security. The following products and services meet the requirements of the BSI C5 (2020) criteria catalog:

- Dedicated server
- Managed server
- Storage (Share, Box, Object Storage)
- Web hosting and Domains
- Colocation
- Cloud server with Snapshots, Block Storage, Load Balancer, vSwitches, floating IPs and flexible Firewall-Rules, among other features

In its audit report dated November 17, 2025, WP Koehler GmbH Wirtschaftsprüfungsgesellschaft, based in Seeheim-Jugenheim, confirmed that Hetzner Online meets the C5 criteria and issued an unqualified BSI C5:2020 Type 2 attestation. The auditing and reporting process was carried out in accordance with ISAE 3000.
